Enfants SGB Kids Association
8153 Hardy
LaSalle, Quebec

Dear Mr. Musano,

On behalf of all our Special Olympics athletes, coaches and volunteers, we would like to thank your organization for the very generous donation to our programs which help kids with intellectual disability to take part in sports on a weekly basis. Without people and organizations such as yours we would not be able to offer the quality programs that we offer to our special needs clientele.

Again, we all THANK YOU!

Yours in Sports,

Suzanne Pedicelli
